Bad Weather Arrangements for New Student Health Orientation Programme

Dear Participants of New Student Health Orientation Programme,

Please take note of the following arrangements in the event of Tropical Cyclone Warning Signal No. 8 (or above) or Black Rainstorm Signal being hoisted:

1. For programmes not yet started
   Should Typhoon Signal No. 8 (or above) or Black Rainstorm Signal be hoisted or in force after 7:00am, all programmes will be cancelled.

2. For programmes already started
   (a) Should Tropical Cyclone Warning Signal No. 8 or above be hoisted, all programmes will be suspended immediately. Students should stay in a safe place or go HOME/ back to HOSTEL immediately if conditions permit.

   (b) Should Black Rainstorm Signal be hoisted, all programmes will continue as usual.

Details of re-arrangement of programmes will be announced in due course.

Thank you.
