

Temporary Suspension of UHS Services due to a COVID-19 Positive Case

Dear Users,

We would like to inform you that a staff member working in the University Health Service was tested COVID positive today (14 February 2022). This staff member does NOT have direct patient contact. The staff member last came to the campus on 10 February 2022.

In order to protect the safety of and to reduce the health risk of all UHS users, the UHS clinics will be **closed immediately until 20 February 2022 (Sunday) inclusive**. Thorough cleaning and disinfection will be carried out before the clinic reopens. **If you have any medical concern during this period, please visit other service providers.** _

In view of the evolving nature of COVID-19, you are advised to check the UHS website <http://www.uhs.hku.hk> this Sunday and shortly before your future scheduled UHS visit, in case of further development or announcements.

If you have any query, please email us at: uhealth@hku.hk

Thank you.

University Health Service
