

THE UNIVERSITY OF HONG KONG

To: Students, staff and retirees who are eligible for primary care at the UHS

Self-pay Dental Scheme

The University has appointed three outside dental groups to offer self-pay dental plans on preferential rates to students, staff and retirees, to supplement the existing dental services provided by the Dental Unit of the University Health Service. This self-pay dental scheme serves to provide an additional option for members in receiving dental treatment outside the campus, thereby giving more flexibility and quicker accessibility.

Eligibility

2. This self-pay dental scheme is open to:
 - (a) Students eligible for primary care at the UHS;
 - (b) Staff eligible for primary care at the UHS and their immediate family*;
 - (c) Retirees eligible for primary care at the UHS and their immediate family*; and
 - (d) Departed staff on fixed term contract who have reached the age of 60 and have served the University for a consecutive 10 years or more, and their immediate family members*

* Immediate family refers to spouse and children. The dental groups agree to cover all children irrespective of whether they are defined as dependent children by the University.
