

(Updated) Free HIV and Syphilis Rapid Testing on Campus 2026

To: All Eligible Users of University Health Service

Please note that the Hong Kong AIDS Foundation and University Health Service (UHS) will be launching **FREE** HIV and Syphilis rapid testing on HKU campus, giving young people a safe and confidential environment in which to proactively understand their health and continue the “Test Early. Support Early. Connect Early.” defense line. The testing will be available on 14, 21, and 28 May ; 4, 11, 18, and 25 June 2026.

The service is completely free, results are confidential, and no embarrassment is involved: you can make an online appointment for testing. Everyone who has ever had sex is encouraged to test for HIV and Syphilis on a regular basis, so that infections can be detected and treated early, effectively reducing transmission risk and associated complications. The details of the testing are as follows:
