

Human Papillomavirus (HPV) Vaccination Catch-up Programme

To: HKU Students,

The Centre for Health Protection (CHP) of the Department of Health (DH) has launched the one-off Human Papillomavirus (HPV) Vaccination Catch-up Programme. The second phase of the Programme targeted University Students with the following criteria:

- female Hong Kong residents; and
- born between 2004 and 2008; and
- currently studying in University (HKU); and
- registered with eHealth

The HPV vaccine for the Programme will be available at University Health Service from 9th July 2025 onwards, while stock lasts.

If you would like to register for the vaccination, please **contact our reception at 2549 4686**.

Points to note:

- For **all vaccine recipients**, please **bring along all your past vaccination record for checking and recording**.
- For vaccine recipients **aged 18 or above**, please **bring along your HKIC** as giving electronic consent to the vaccination.
- For vaccine recipients **under the age of 18**, please **bring along the completed [HPV Vaccination Consent Form](#)** (with Parents/ Guardian signature) during the day of vaccination, as per requirement of DH. **A consent form is required for each dose of vaccination.**
